

NATO LESSONS LEARNED CONFERENCE 2022

REGISTRATION FORM

The registration for NLLC22 will be done using the Registration Form presented below. Please fill it out and send to nllc@jallc.nato.int **from your official/work email** no later than 12 April 2022. After the NLLC22 team processes your registration, you will receive an email with the invitation to join the NLLC22 Online Platform (Attendify) with further instructions.

1. **Title (Mr/Mrs/Ms) or Rank:**
2. **Family Name:**
3. **First Name:**
4. **Nationality:**
5. **Entity/HQ:**
6. **Current Position/Job Title:**
7. **Work Phone (country code, area code, number):**
8. **Email address for joining and accessing the Conference Platform** (please note that this email address will be used for your registration and must be accessible from the network you will be joining the Conference. Therefore you may consider using your private email). In case you have already an Attendify account from previous events, pls include here the email associated to that account:
9. **Please select only one panel discussion you would like to attend on 05 May 2022:**¹
 - Panel 1 – LL in support of Warfare Development Agenda (WDA): This panel will discuss ideas and insights on how the NATO LL Capability can support / contribute to implementing the WDA as well as how the WDA implementation can contribute to the improvement of the NATO LL Capability.
 - Panel 2 – Innovation is support of LL: This panel will discuss insights on the recent innovation efforts with relevance for the development of the NATO LL Toolset. It provides also the opportunity to discuss and share ideas and insights on other NATO and national innovation efforts that may contribute to the NATO LL Capability improvement.
 - Panel 3 – Overcoming challenges in learning enduring lessons from Exercises: This panel will discuss challenges, opportunities, ideas, and potential changes that could lead to a more effective learning from Exercises.
 - Panel 4 – Overcoming challenges in learning enduring lessons from Operations: This panel will discuss challenges, opportunities, ideas, and potential changes that could lead to a more effective learning from Operations.

¹ These sessions will run in parallel in the morning (see the NLLC22 Agenda for details). Closer to the date, the session moderator will contact you with additional details.
